

Quick-Start Guide: Community Mode

1. Choose your state

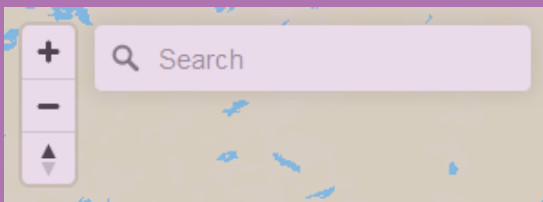

2. Choose your units

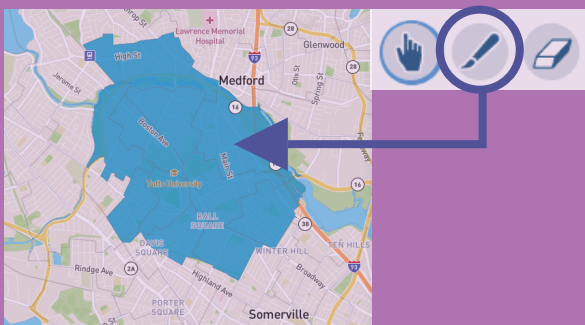

Block groups and precincts will both work. Scroll down on the Districtr page for more information about units.

3. Zoom to your community

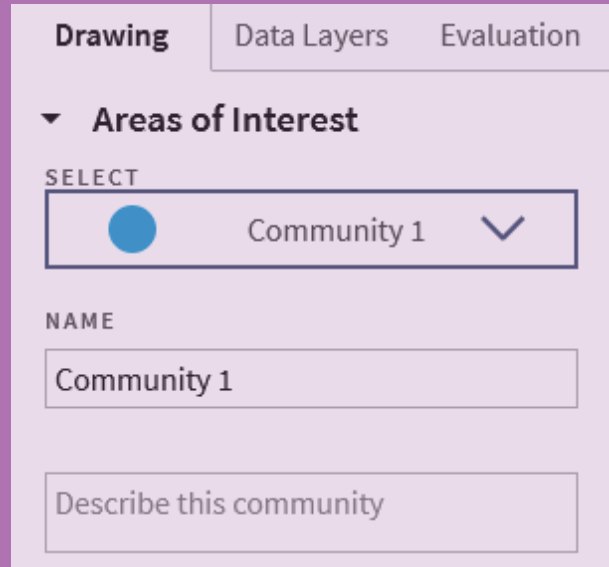

4. Map your community

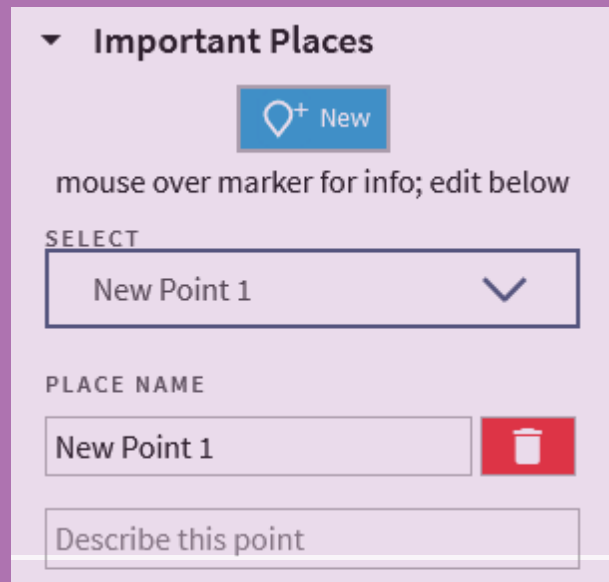

5. Add a name and narrative

Aim for a short paragraph or two.

6. Add and describe important places

This adds context to your narrative.

7. Share your map

Click "Save" to generate a unique link, and submit the link to your state's portal or event!
